## ADMISSION PROCESS

# ABOUT FACULTY OF COMMERCE AND MANAGEMENT

The Faculty of Commerce and Management is one of the premier faculties of the university in terms of its core competencies. The faculty has made the mark by strengthening its thrust areas like marketing, finance, human resources, international business, operations, pharmaceutical management and hospital administration with the latest curriculum. Besides a core of twenty-five well-qualified full-time faculty members, the faculty enriches the teaching and learning process through the practical interventions of experienced corporate executives from time to time.

## WHAT MAKES US STAND OUT?

- 1. Academic Excellence:** A blended approach to the teaching and learning process that involves the practical intervention of experienced corporate professionals from time to time. Students are encouraged to work collaboratively and cohesively with other students, faculty, and industry mentors.
- 2. Diversity and Inclusion:** Students get a chance to work and interact with people from all over the country, and the knowledge and diverse perspectives available contribute significantly to their growth.
- 3. Research and Innovation:** FCAM focuses on building research acumen by drawing a network of researchers and advancing the body of knowledge through conferences, seminars, and workshops. Faculty members have published more than 150 research papers in Scopus, ABDC, and UGC-listed journals with high H-index.
- 4. Global Opportunities:** The university has international tie-ups on teaching and research aspects, including the promotion and development of academic collaborations through student and faculty exchange programs, extended to scientific research, scholar visits, short-term study tours, cultural exchanges, etc.
- 5. Career Service and Industry Partnerships:** Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial visits, workshops, industrial internships, bootcamps and networking events with potential employers. Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.

## CAREER OPPORTUNITIES

Overall, with strengthened efforts throughout the program and strong academic rigor, the students have an understanding of a host of opportunities in multiple industry verticals, like:

HR(Human resource management | Talent acquisition | Recruitment | Human resource coordinator)

Business Analytics(Data scientist | Market Research Analyst | Fraud and risk analyst)

Pharmaceutical Management(Sales Manager | Pharmaceutical purchase manager | Drug distribution manager | Pharmaceutical purchase manager | Formulation pharmaceutical technology scientist | Automotive | Manufacturing
