 **FACULTY OF DENTAL SCIENCES**  
 Shree Guru Gobind Singh Tricentenary University

## ABOUT FACULTY OF DENTAL SCIENCES

The Faculty of Dental Sciences was started as S.G.T. Dental College, Hospital & Research Institute in 2002 and became a constituent faculty of the esteemed SGT University from the academic session 2013-14. The faculty, with its excellent infrastructure, state-of-the-art equipment, and well-experienced and highly qualified educators, has carved a niche for itself in the field of dentistry and is recognized among the top dental colleges across the country.

## WHAT MAKES US STAND OUT?

- 1. Academic Excellence:** Educating students in all the basic and clinical subjects of dentistry. Imparting ethical and scientific clinical training using state-of-the-art tools and technology.
- 2. Diversity and Inclusion:** Students get a chance to work and interact with people from all over the country, and the knowledge and diverse perspectives available contribute significantly to their growth.
- 3. Research and Innovation:** The majority of Faculty of Dental Sciences faculty members pursuing extramural research in their specializations have sponsoring bodies like SERB, ICMR, ICSSR, BIRAC, DBT, and other corporate and social welfare sponsoring bodies. Regular participants in the annual UG-level research grant submission process have ICMR-sponsored grants under short-term studentship.
- 4. Career Service and Industry Partnerships:** Faculty provides 100% placement assistance to eligible candidates through industry mentors in the form of mock interviews, industrial visits, workshops, industrial internships, bootcamps, and networking events with potential employers. Aligning students with industry requirements for placements and providing them with career services is supervised by CRC.

## CAREER OPPORTUNITIES

FDS students, upon completion of courses, are self-sufficient for private dental practices. Exposure to various academic and industry-related platforms created opportunities to master the art of running successful dental practices. Research culture in FDSC helps to work in research-based organizations, offshore foreign engagements for pursuing higher studies, and practicing dentistry abroad.

## OUR TOP RECRUITMENTS

**Vandana**  
Junior Resident  
DDUH,  
New Delhi

**Tanmay Kaushik**  
PG Perio  
MS Ramya Dental College,  
Bangalore

**Ishpreet Singh Kalra**  
Junior Resident  
Hindu Rao Govt. Hospital,  
New Delhi

**Gaurav Kaushik**  
Junior Resident  
Lok Nayak Jaya Prakash  
Hospital, New Delhi

**Namrata Chutani**  
Diploma in Public Health,  
Conestoga College Ontario,  
Canada

“ My graduation and post-graduation from the Faculty of Dental Sciences at SGT University has been instrumental in shaping my career. The campus facilitated not just academics but overall holistic personality development. ”

**Dr. Isha Duggal**

“ It is my honour to be a part of SGT, where the start of my career took place. My heartfelt gratitude goes to my teachers, who have always motivated me to believe in myself and do the work. I wish all the very best to every student, as their future is in safe hands. ”

**Dr. Anshum Datta**

## INDUSTRY LINKAGES & COLLABORATIONS
